

IMPORTANT FINANCIAL AID FACTS:

- If students get an X-grade prior to the college census date (after the first 3 weeks of the semester), students lose NYS TAP & cannot get part-time NYS TAP
 - What is an X grade? An unofficial withdrawal, student stopped attending classes
- If students are eligible for the PELL Grant, and are X'd from a class, the PELL Grant is adjusted based on the number of credits they are enrolled in at the census date (first 3 weeks). It is not adjusted after state certification (3 + weeks)
- If students are reported as a “no show” in all classes, they lose all aid (loans, Pell, and TAP)
- Students must be enrolled in AT LEAST 6 credits when loans are disbursed (even if they are approved for loans). The college will send the loan back and the student will be billed directly.
- Students who live on campus that receive full financial aid **will** still have a bill.

For the 2023-24 Academic Year

Max Pell (per semester):	\$3,697 (students get \$1 more in the fall term)
