

**Paul Smith's College Transfer Guarantee**  
for  
**SUNY Adirondack Graduates**  
with the  
**AAS Degree in Adventure Sports: Leadership and Management**

Whereas Paul Smith's College has examined the curriculum for the AAS degree in Adventure Sports: Leadership and Management at SUNY Adirondack, and

Whereas students who graduate with that degree will have achieved learning comparable to that offered in the first two years of study in the Bachelor of Science program in Recreation, Adventure Education and Leisure Management at Paul Smith's College, and

Whereas the SUNY Adirondack is accredited by the Middle States on Commission on Higher Education, and

Whereas Paul Smith's College believes that graduates of high quality two year degree programs, like the AAS in Adventure Sports: Leadership and Management from SUNY Adirondack deserve at least 60 semester credits towards a baccalaureate degree in the same field,

Paul Smith's College offers the following Transfer Guarantee:

*Graduates from SUNY Adirondack the Associate in Applied Science degree in Adventure Sports: Leadership and Management and good academic standing, who within two years of graduation are admitted to the Bachelor of Science degree program in Recreation, Adventure Education and Leisure Management at Paul Smith's College, will enter with Junior standing and will be required to successfully complete no more than additional 66 credits to finish the baccalaureate degree. Students who chose to add a second degree or minor, or who elect to take classes not required in their major program may not be able to complete all requirements for graduation within the 66 credit hour limit.*

To remain eligible for this guarantee, students must:

1. Meet with their advisor or program director before the start of the first semester and complete a graduation plan that identifies, in 66 credits or less, what classes will be taken and when. Plans may specify certain lower division courses and will meet all State and College graduation requirements.
2. Deliver, by the end of the third day of classes of first semester at PSC, a copy of their completed graduation plan for approval by the Dean.
3. Receive prior approval from their advisor for any and all deviations from the approved graduation plan; an amended plan must be submitted to the dean for approval.
4. Pass all coursework on the first attempt.
