- ✓ Do you like working with kids and helping them learn?
- ✓ Looking for a fun and rewarding way to spend a few weeks of your summer?
- 👍 Being a faculty assistant in Summer Enrichment could be for you. Contact us to learn more!

## FACULTY ASSISTANT PROGRAM

If you are a student entering grades 11-12, or a recent graduate, you can still participate in our Summer Enrichment Program as a Faculty Assistant. This is an opportunity for you to volunteer as an assistant with a Summer Enrichment faculty member in an area of interest. At the end of the program, you will receive a certificate of completion and a letter of recommendation from the faculty member. Gain valuable experience building your resume.

Contact our office at [conted@sunyacc.edu](mailto:conted@sunyacc.edu) or 518.743.2238 and we'll send you an application or find it on our website.

### 2017 SUMMER ENRICHMENT FACULTY ASSISTANT APPLICATION

This program is for students who have completed the 10th, 11th, or 12th grades and would like to volunteer as a Faculty Assistant with a Summer Enrichment faculty member. Selected students will be given the opportunity to work as assistants with faculty members in an area of interest. This is a meaningful opportunity for those students who are looking for community service options for National Honor Society or college and scholarship applications.

Students applying must submit a recommendation from a school counselor and a faculty member from their home school. Positions will be available at our Queensbury campus for the entire three-week period, July 10-27, 2017, Monday through Thursday. Hours may vary. A certificate will be given to the student at the end of the program stating the class and number of hours volunteered. A letter of recommendation by the Summer Enrichment faculty member will also be available.

Student applications and school recommendations are due to SUNY Adirondack Continuing Education by Friday, June 1, 2017. Students we are able to place in a class will be contacted for an interview.
