

**1+1 Articulation Agreement Between  
State University of New York (SUNY) Canton  
and  
State University of New York (SUNY) Adirondack**

Effective dates: March 1, 2014 through February 28, 2017

---

This articulation agreement is intended to facilitate the transfer of students from SUNY Adirondack to the Veterinary Science Technology Program at SUNY Canton. The objectives, terms and conditions of this agreement are set forth as follows:

### OBJECTIVES

1. To attract qualified students to SUNY Adirondack and to SUNY Canton.
2. To facilitate upward educational and career mobility in the veterinary profession(s) by increasing accessibility to AVMA accredited veterinary technology programs for qualified individuals.
3. To provide students with advisement in academic and career planning throughout their program of study.
4. To reduce unnecessary repetition of general education and curricular content by providing a seamless articulation opportunity.
5. To facilitate communication, academic coordination between faculty, students, and administrators at each institution.

### ELIGIBILITY/ADMISSION REQUIREMENTS

1. Students must complete the admission process at SUNY Canton.
2. Students must meet the academic requirements listed in the "*Terms of Agreement*".

### TERMS OF AGREEMENT

Current SUNY Adirondack students who have completed the prescribed freshman-year program (see attachment) at SUNY Adirondack will be accepted into the Veterinary Science Technology (521) program at SUNY Canton.

**TRANSFER CREDIT:** Automatic transfer and acceptance of full credit of first-year courses will be guaranteed if the student has a cumulative quality point average of 2.0 at the end of the second semester, as evidenced by an official transcript, and the recommendation of the above named college. To progress in the Veterinary Science Technology curriculum a minimal grade of "C" (2.0) in all courses prefixed with Vet (SUNY Adirondack) or VSCT (SUNY Canton) must be achieved. The second year courses will be provided by and taken at SUNY Canton.

**IMPLEMENTATION:** Students transferring under this agreement into the SUNY Canton Veterinary Science Technology program, will whenever possible, be provided with a projected outline of their individual requirements for the Associates in Applied Science Degree.
