Change of Major Acknowledgement

I understand that by changing my major, this may have implications on my Aid or Benefits for the current semester, which may impact my overall bill. I understand I will be responsible for associated charges or adjustments to my Student Account.

I understand that by changing my major, this may change how my credits apply towards my requested degree. I understand Degree Works will be updated for current semester major changes once the change occurs in Banner, but for future semesters this will be viewable in Degree Works 30 days prior to the start of the future semester. A "What-if" review can be done in Degree Works when available.

The major catalog year and requirements will always be the most current catalog year unless a change is requested above.
